

SPIRITUALITY – THE ETERNAL LIGHT

*In the open sun light, looked around –
Everything existed; nothing found.
Illusion vanished as mind awakened
Reality show was quickly reckoned.*

*In the darkness, as all were asleep
Mind contemplated; drowned deep
Into the inner voice of the eternal Beauty;
And it enjoyed the beauty of Reality.*

*Thus the present thinks of the past
That runs the present 'unto the last';
Detach or attach may be thy future;
'No change' is the nature of Nature.*

*The spirit that speaks of Nature wins;
Then the real spirituality begins.
That which holds the world unbreakable
Is spirituality. It is truly remarkable.*

*Be thy spirit thy guide and light;
Attachment vanishes in thy might;
Soar up like fire versus all gravity;
Lose illusion and live with reality.*

*In the Eternal Light, you look around –
Nothing exists; but everything found.
Thy spiritual life has thus begun
To make the domestic an eternal one.*
