

## **THE IMMORTAL ENTITY**

From the Big Bang  
To the breath last  
Music, the life force that  
Makes its presence felt.  
The remedy for any malady  
Is the melody.

Music is the eternal entity  
Ever flowing elixir,  
An anytime and everywhere  
Preference, at your fret and fever  
Being placed far and near.

The inner music  
The rhythmic cadence  
Peacefully engineered to balance  
With the cosmic music.

Music is a mystical miracle  
An ecstatic escapade,  
A viewless vehicle that  
Carries you from your self  
To the universal self.

Every sound is music  
Make music from sounds  
A cry, call, laughter, revelry  
Rattle, weep, sleep, walk or talk  
It's all we make  
Sound music, musical sound  
It's all how we take.

Silence is not silence  
It's music in mute form  
Silent music, musical silence  
Silence and music are both  
Present in either, if you  
Have an ear to listen.
